

Daily Activity

My name is azhar, I will tell you about my daily activities from i wake up until I sleep and of course not of all i tell.

First of all, I wake up around 4 o'clock, then I clean my self and do something i usually do, After that i prepare to go to campus.

I have some steps to the campus, step one i order transportation online to go to halte apotik one under 6 o'clock in the morning because if i order over 6 o'clock the price will rise and that is not good idea. step two from halte apotik one i take public transportation until near halte the campus. last step i walk until to the campus and arrive around 7 o'clock.

Until campus i have many time for wait class start and i can do something before start study. Usually class start from 8 o'clock or 10 o'clock until 12 o'clock or 16 o'clock.

After class finish i prepare my self to back to home and i have some steps to the home but different like before. step one i take public transportation until halte apotik one, step two i take public transportation again until market pucung. last step i walk until to the home and usually arrive around 17 o'clock.

Finally after i at home, i do something until i sleep around 22 o'clock, like do homework if there, dinner, take a bath and other.

That's all, my daily activities and of course not all i tell about my activity in this time.
