IBM Survey (2010)

The study is the largest known sample of one-on-one CEO interviews, with over 1,500 corporate heads and public sector leaders across 60 nations and 33 industries

Most important leadership qualities over the next five years

CEOs in North America expect “big government” and regulation

CEOs in the European Union are least impacted by talent shortage

CEOs in China see “global thinking” as a top leadership quality

CEOs in Japan are most impacted by the shift in economic power to growth markets

We asked college faculty and administrators to invite graduate and undergraduate students to participate in a Web-based survey between October 2009 and January 2010. We received over 3,600 responses from students in more than 40 countries across the world

*Growth markets include Latin America, Asia Pacific (excluding Japan), Middle East and Africa.
